THE CLUB ITALIA EXPERIENCE

An innovation on the international Volleyball scene!

Centro Pavesi FIPAV, the CEV Regional Volleyball Development Centre in Milan, is proud to announce the first edition of the workshop directed to every European Volleyball coach.

11th - 14th March 2016

The "Club Italia" is an excellence technical project held by Italian Volleyball Federation since 1998 which selects and collect in a single team the most promising young volleyball players, with the aim to improve their development with several physical and technical specializing activities.

During this past years, Club Italia hosted some of the strongest Italian players, such as Eleonora Lo Bianco, Antonella Del Core, Sara Anzanello, Valentina Diouf, Cristina Chirichella.

From 2011 Club Italia moved to Centro Pavesi FIPAV in Milan, where the athletes constantly work with a team of professional coaches; during the Season 2014/15 Club Italia took part in the Serie A2 Championship, gaining Playoff Semifinals; this year they are participating, for the first time in history, in the Serie A1, and many players already joined the Seniores National Team, such as Paola Egonu, Alessia Orro, Anna Danesi, Anastasia Guerra (these players took part in the CEV 2016 European Olympic Qualification in Ankara - TUR), Ofelia Malinova and Ilaria Spirito.
