## VNL Bubble 2021 Important Updates

---

Dear Participating Teams,

1. **Pre-Match Warmup** We would like to clarify that both warmup courts will be made available for the two competing teams one hour before the start of the match, so that each team has a separate court. Entering the competition court will be facilitated with the help of the SPR team, who will advise when the captains have to report for coin toss, and the teams will leave the warmup courts.
2. **Additional Towel for Floor Mopping** In order to avoid unnecessary delay during matches, and keeping in mind the presence of only two ball retrievers/moppers, we will provide the teams with one additional towel on their benches, to be used for quick floor mopping by the players if such a need should appear.
3. **Ball Trolleys behind Led Panels** Servers will not be receiving the balls for service from the ball retrievers, but will be taking them from trolleys behind the led panels, in which the retrievers will be collecting the sanitized balls.

We wish you a very successful competition and are at your disposal for any and all matters concerning your participation.
