VNL 2021 Bubble / Notice to the teams

Dear Participating Teams,

Please note the following updates to the procedures and protocols as follows:

- 1) **Testing Days** - On the respective teams' genders testing days, the COVID antigen tests effected upon the first arrival to the competition venue: either before the respective training or prior to the team's matches. Nonetheless all members of the team delegation must arrive and be tested together. In case morning training sessions are cancelled on the COVID 19 testing days, those cancellation must be officially communicated to the COVID Task Force.
- 2) **Moppers during the match** – for everyone's safety, only a reduced number of ball retrievers are used - a total of 2 per match. For mopping the floor, when necessary, we please ask for the team members to cooperate mopping their own side of the court.
- 3) **Team Transportation** – on training days departure of the team busses from the hotel and / or the venue can be adjusted directly with the bus driver. On the competition days and the COVID 19 testing, however, we please ask you to abide by the individual activity schedule.
- 4) **Ball Trolleys behind Led Panels** – Servers will not be receiving the balls for service from the ball retrievers, but will be taking them from trolleys behind the led panels, in which the retrievers will be collecting the sanitized balls.

We wish you a very successful competition and are at your disposal for any and all matters concerning your participation.

Kind Regards,

FIVB Technical Delegate
